

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation and a blatant abuse of FCC guidelines regarding the public airwaves.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This kind of mis-use of the public trust and the public airwaves MUST be stopped.

Please step in and force the Sinclair Broadcasting Co. to follow FCC rules on this matter, and consider this matter when licensing their stations in the future.

Thank you,
